

SUPER FLO-KON NP

Non-Phosphated Premium Liquid Alkali Builder

SUPER FLO-KON NP is a premium, high-strength liquid alkali builder designed for the toughest laundry challenges in healthcare, hospitality, and linen processing plants. With high pH and alkalinity, it is fortified with potent chelating and sequestering agents to deliver superior soil removal, even in hard water. When paired with a neutral detergent, it ensures exceptional results in heavy-duty operations.

Features & Benefits

- **Superior Cleaning Power:** Combines strong alkalis to tackle the most resistant soils and stains, ideal for heavy-duty applications.
- **Effective in Hard Water:** Sequestering agents enable high performance, even in challenging water conditions.
- **Fast Rinsing & Water Saving:** Quickly rinses away, helping to save water and time.
- **Fiber-Friendly Soil Release:** Swells fibers, allowing soils to release more easily for a cleaner, fresher result.
- **Non-Phosphate Formula:** Environmentally conscious, phosphate-free formulation supports sustainable practices.

Available Sizes

Product ID	Container Size
10753	5 Gallon Pail
10759	5 Gallon Pail
10765	15 Gallon Drum
10771	55 Gallon Drum

Product Information

Product Line: Laundry

Category: Alkali

Matter: Liquid

Color: Clear

Scent: No Odor

pH: 13 ± 0.5
