

SURE-SIZE

Liquid Polyester Sizing

SURE-SIZE is a high-performance liquid polyvinyl acetate (PVA) sizing solution, specially formulated for polyester and cotton/polyester blend fabrics. Designed to deliver consistent results with a fresh lemon fragrance, SURE-SIZE can be manually dispensed or integrated with dispensing equipment. This innovative sizing strips easily in later washes, eliminating the common issues associated with traditional dry starches.

Features & Benefits

- **Premium Sizing:** Delivers reliable performance for polyester and cotton/polyester blends.
- **Easy to Use:** Offers the flexibility of manual or automated dispensing for seamless application.
- **Effortless Removal:** Strips readily in subsequent washes, ensuring easy maintenance and reuse.
- **No Starch Highlighting:** Avoids the streaking or residue often seen with dry starches, preserving fabric appearance.
- **Fresh Lemon Fragrance:** Adds a pleasant, clean scent to the fabric.
