

## PRODUCT BULLETIN

# ZEL LIQUID

## Premium Built Detergent

### Description of Product

**ZEL LIQUID** is a built liquid alkaline detergent. Combines in one product the benefits of controlled alkalinity, high sequestering action, and good surfactant detergency. Ideal for three pump feeder system. Popular since introduction in '84.

### Where to Use

- For use with three pump dispensers in health care and hospitality operations. Due to its high phosphate content, often used as a booster to detergent systems.

### Features

1. Controlled alkalinity for effective detergent environment and reduced rinsing requirements.
2. No loss of effectiveness in water of high hardness and high total solids.
3. **ZEL LIQUID** readily disperses particulate soils.
4. Special combination of anionic and nonionic surfactants.
5. Excellent booster for most detergent systems.
6. **ZEL LIQUID** is a highly stable built liquid.

*For specific usage instructions,* please contact your local U.N.X. Territory Manager. After a comprehensive survey of your operation, a customized procedure will be developed.
