

SpecTak

Premium Enzyme Detergent with Oxygen Bleach

Doing laundry shouldn't be difficult, and SpecTak makes it easier. With a proprietary combination of enzymes and oxygenizing agents, SpecTak will enable you to achieve brighter, fresher, and cleaner linen. Trusted by thousands of customers including five-star resorts, premium shirt laundries, and professional sports teams, SpecTak is a color-safe, mild detergent that extends linen life and provides maximum de-staining power load after load.

SpecTak is available in bulk and in 'packs'.

Features & Benefits

- Mild, safe, and easy to use
- Color safe and can be used as an overnight soaking agent
- Possesses a powerful synergistic combination of enzymes, oxygen bleach, and detergent
- Includes special fluorescent brightener and four detergent agents for high range of soils and stains
- Good sudsing action even in extremely hard water conditions
- Ideal product for use in shirt and family laundries for ultimate quality
- Use on table linen and napkins for ready removal of proteinaceous and oily residues
- Works great to remove grass stains and clay stains from athletic uniforms
- Economical for lower per load costs
