

PRO-FIT BODY

Wet Cleaning Finisher

As a premium wet cleaning conditioner and finisher, *Pro-Fit Body* is designed to restore fabrics to their optimal shape and appearance. This liquid finishing agent is crafted to significantly reduce wrinkling, making ironing a breeze and ensuring your garments look impeccably finished.

Features & Benefits

- Finishing agent for synthetic and delicate fabrics; Restores the shape and touch of the most delicate fibers
- Gives optimal restyling combined with a pleasant feeling and grip
- Based on a mixture of polymers, which are sufficiently substantive to give an optimal restyle effect, but which are removed easily in the next wash
- Reduces wrinkling and facilitates the ironing
- Reduces the build-up of static charges
- Gives 'body' to wool.
- Reduces the build-up of static charges
